56th Campus Placement Programme
For Newly Qualified Chartered Accountants

Organised By
Committee for Members in Industry & Business (CMI&B)
The Institute of Chartered Accountants of India
(Set up by an Act of Parliament)
What ICAI can do for you?

- ICAI simply acts as a facilitator to bring the recruiter and NQCAs together.
- Facilitate your search for complete business solution provider.
- Online web portal for registration and shortlisting of candidates.
- Online Psychometric test and written test, if required.
- Facilitate interviews.

Why Newly Qualified CAs preferred over other freshers

- As a matter of fact, the Chartered Accountants, because of their sound technical knowledge and on-the-job training, are looked upon as complete business solution providers and are preferred over other freshers. This campus placement programme, being a one stop solution, offers a unique opportunity to the employers to interact with the NQCAs, peruse the particulars of a huge pool of promising professionals and recruit the suitable one(s) who is found to be better than the best.
The Institute of Chartered Accountants of India (ICAI), apart from regulating the profession of Chartered Accountants, also plays a pivotal role as an educator and in standard formation. The Institute has been proactive in upgrading its course curriculum at par with the international standards. The mandatory requirement of 3 years training has its own benefits. The strong foundation of Chartered Accountancy course influences the budding CAs to capture a culture that’s based on independence, integrity and excellence. Chartered Accountants equipped with their knowledge and skills enable the organizations with which they are associated to the path of success, thereby also contributing to the economic growth of the nation. The organizations also endeavour to achieve sustainable growth and continuity backed by the professionals who manage these entities by taking strategic decisions and executing them to the advantage of the organisations as a whole. That’s the reason, CA’s continue to be in great demand.

ICAI through its Committee for Members in Industry & Business (CMI&B) provides an opportunity both to employing organizations as well as young professional aspirants to interact together and explore the possibility of mutually beneficial employment. The Institute acts as an enabling channel to connect the Newly Qualified Chartered Accountants (NQCAs) and the recruiters on a common platform and has since long been facilitating them to fulfil their mutually beneficial requirements.

The Placement Programme offers an excellent opportunity to the recruiters for picking the best and the brightest from a pool of talented professionals.

It is heartening to note that the CMI&B of ICAI is all set to hold the 56th edition of the Campus Placement Programme in August–September, 2022 across 27 centres in the country, which includes 6 new centres. We are sure that this Placement Programme would provide an unparalleled opportunity to the participating organisations to interview and recruit newly qualified CAs.

We welcome esteemed organizations and CA firms to join this Placement Programme in recruiting NQCAs in their reputed organizations.

“We wish the participating companies all the very best.”
