The Institute of Chartered Accountants of India (ICAI), apart from regulating the profession of Chartered Accountants of India, also plays a pivotal role as an educator and in standard formation. The Institute has been proactive in upgrading its course curriculum at par with the international standards. The mandatory requirement of 3 years training has its own benefits. The strong foundation of Chartered Accountancy course influences the budding CAs to capture a culture that's based on independence, integrity and excellence. Chartered Accountants equipped with their knowledge and skills enable the organizations with which they are associated to the path of success, thereby also contributing to the economic growth of the nation. The organizations also endeavour to achieve sustainable growth and continuity backed by the professionals who manage these entities by taking strategic decisions and executing them to the advantage of the organisations as a whole. That's the reason, CA's continue to be in great demand.

ICAI through its Committee for Members in Industry & Business (CMI&B) provides an opportunity both to employing organizations as well as young professional aspirants to interact together and explore the possibility of mutually beneficial employment. The Institute acts as an enabling channel to connect the Newly Qualified Chartered Accountants (NQCAs) and the recruiters on a common platform and has since long been facilitating them to fulfil their mutually beneficial requirements.

The Placement Programme offers an excellent opportunity to the recruiters for picking the best and the brightest from a pool of talented professionals.

It is heartening to note that the CMI&B of ICAI is all set to hold the 51st edition of the Campus Placement Programme in February-March, 2020 across 18 centers in the country. We are sure that this Placement Programme would provide an unparalleled opportunity to the participating organizations to interview and recruit newly qualified CAs.

We welcome esteemed organizations and CA firms to join this Placement Programme in recruiting NQCAs in their reputed organizations.

“We wish the participating companies all the very best.”
About ICAI
The Institute of Chartered Accountants of India (ICAI), established 69 years ago, by an Act of the Indian Parliament, continues its operation as the single largest statutory accounting body of the world. ICAI stands on four pillars – Regulator, Standard Setter, Educator and Partner in Nation Building and has been functioning under the administrative control of the Ministry of Corporate Affairs (MCA) of the Government of India, as an extended arm. In short, Independence, Integrity and Excellence remain the core values of ICAI. ICAI enjoys the privilege of being the founder members of the International Federation of Accountants (IFAC), International Accounting Standard Board (IASB), South Asian Federation of Accountants (SAFA) and Confederation of Asia Pacific Accountants (CAPA). Again, ICAI is the first Professional body in the country which has been nominated by the Hon'ble Prime Minister of India to take the Swachh Bharat Abhiyaan forward.

Objectives of CMI&B
Maintaining strong and spontaneous relationship with the industry and other business houses remains the main focus of the Committee for Members in Industry & Business (CMI&B) of the Institute of Chartered Accountants of India (ICAI). An initiative to that effect remains the Campus Placement Programme (held twice a year) that provides a platform to both the Newly Qualified Chartered Accountants (NQCAs) and the organizations looking to hire the best available talent to fulfil their Human Resource requirement. ICAI simply acts as a facilitator to bring the recruiter and NQCAs together.

What ICAI can do for you?
◆ ICAI simply acts as a facilitator to bring the recruiter and NQCAs together.
◆ Facilitate your search for complete business solution provider.
◆ Online web portal for registration and shortlisting of candidates.
◆ Online Psychometric test and written test, if required.
◆ Facilitate interviews.

Why Newly Qualified CAs preferred over other freshers
As a matter of fact, the Chartered Accountants, because of their sound technical knowledge and on-the-job training, are looked upon as complete business solution providers and are preferred over other fresher’s. This campus placement programme, being a one stop solution, offers a unique opportunity to the employers to interact with the NQCAs, peruse the particulars of a huge pool of promising professionals and recruit the suitable one(s) who is found to be better than the best.
Who can take part in ICAI Campus Placement Programme

Any corporation, irrespective of its size, standing in the market and boundary of its business, can take part in this placement programme being held at several centers across the country during February-March, 2020.

Ya esa suptesu jagarti kamam kamam Puruso nirmimanah |
Tadeva sukrat tad brahma tadevamrtamucyte |
Tasminlokaḥ srīrata sarud tadu nātyetī Kascan | etad vai tat ||

(That person who is awake in those that sleep, shaping desire after desire, that, indeed, is the pure.
That is Brahman, that, indeed, is called the immortal. In it all the worlds rest and no one ever goes beyond it.
This, verily, is that, kamam kamam : desire after desire, really objects of desire.
Even dream objects like objects of waking consciousness are due to the Supreme Person.
Even dream consciousness is a proof of the existence of the self.
No one ever goes beyond it : cf. Eckhart : ‘On reaching God all progrss ends.’)
